Since its launch, Roblox has had many updates. These updates affect the gameplay and/or user experience at all levels of the game. Some updates, such as "Roblox," have been launched by the company itself. Others have been launched by third-party developers or players in the game.

This number can be increased at any time by purchasing a builders club membership which also unlocks other features such as custom backgrounds, avatars and other features like chat rooms and new games. The first block costs 99 cents, while additional blocks begin at \$2.99 for 12 blocks. Unlike Xbox Live Gold and PSN, the number of blocks does not reset after you have purchased them, but keeps track of all the purchases you made up until you buy more blocks.
