5. Roblox should have a choice where we can only friend other users based on gender and age. 6. There are too many DLC's that do not allow you to play the game fully without buying them. 7. There needs to be an authority on the game just like there is one for Steam that will give out reports about inappropriate content as well as any other updates and problems that happen within the game such as glitches and server problems.

Another good method to get free robux for roblox is by completing the missions and tasks that are assigned by the game engine. What I do is just complete all of the tasks that are assigned and as a result, you will get a lot of free robux so you can buy cool items or invest in some cool weapons.

The company's revenue is seen as a key driver for future revenue. According to the Global Gaming Sustainability Report by Eilers Research, ROBLOX generated \$15 million in revenue in 2013 and \$135 million by 2016. The report also estimated that ROBLOX will see a compound annual growth rate of 106% over the 2015–2025 period. The company has also completed two rounds of financing, raising more than \$250 million in 2016.
