Great by I'm horrible at this on 2013/01/27 01:34 This app is really fun and addictive, but it has a lot of adds and if anyone knows how to get rid of them or change the amount of them I would be very thankful. Also, I don't care if you have to pay for the in app purchases like some games do, but sometimes it's annoying to see an add when you're almost done with a puzzle.",

Coin master has been out for a few months now and is the first game of its kind and has had an overwhelmingly positive response. We here at TheGamesLovers thought that we would take a closer look at how this game works, what is needed to play, and what makes it so addicting."",

On November 1, 2016 two "Coin Master" players (Andrew Peebles and Javviell Evans) both won packs from a charity raffle held via United Pixelworkers' official Facebook page. The raffle was for the Xbox One Collector's Edition of "The Elder Scrolls V: Skyrim" that included the "Coin Master" card HORSEMAN in its set.",

Best Game Ever by Ali Bery on 2017/11/30 17:16 This game is so fun and addictive! It's great because you can play with your friends, chat with other players, and customize your character with tons of cute outfits! The most amazing thing about this game is how many different achievements there are to unlock. You can even play a bunch of different mini games to win prizes! But after an hour or two that can start to get boring. So, I would say this game is great for short bursts or if you are bored or when you're on your phone at home.",
