In February 2013, Roblox was in violation of Terms of Service that required them to have a minimum age requirement for players.[72] In December 2016, ROBLOX temporarily suspended monetizing accounts and purchases of game currency within their website after it was discovered that many users had been cheated out of money. It is known that they worked with third-party vendors to purchase a limited amount of Robux for specific accounts.[73]

There are a few ways to get free robux in Roblox.1.) Game purchases - Unlike other games, there is no way to get free robux through game purchases.2.) Trading with friends - One of the easiest and quickest ways to get free robux is by trading with your friends. However, this can be difficult if you do not know anyone on Roblox or if they are not online.3.) Sell creations on the site - This will give you a certain amount of money every day for free which can help you generate more gameplay time and use more items in-game, but if it's too hard then you might want to try selling your creations on the website first before trying this method

This game has many bugs such as glitching which can happen at any time including in games. There is no way to report this glitch due to the fact that the button isn't there and you can only report it from the website. This is extremely annoying because you need to refresh the page and play all over again, but this usually happens when you are about to win.

In 2012, ROBLOX launched a new feature called Builders Club which allows players to create their own games. Builders Club costs 10 ROBUX to join and provides a variety of benefits such as allowing players to create games, more options for game creation including scripting (Lua, in ROBLOX's case), increased visibility, can use the "Builders Club" tag in places like their profile and group titles, ability to add new hats to the catalog, t-shirt sales in online store.

Rated 5 out of 5 by Anonymous from Super fun, but gets expensive Really fun game, and very realistic in-game items. However after a while, it can get pretty expensive. It is currently \$8.99 USD to purchase an additional character slot. Definitely worth it at first, but you will eventually outgrow the game if you don't have the money.
