ROBLOX, from a mobile phone screenshot taken on 1 September 2013 Game Similarities and differences Grand Theft Auto Online This is another game similar with Roblox. It allows players to participate in various activities including robbing banks and carrying out heists, which is very similar to Roblox's Criminal series. [134] Cube World A game with many similarities with Roblox since it has blocky worlds that players can explore using their characters in which you can also build structures. [135] Elements This game is made to look a lot like Roblox. The main point of it is to destroy buildings to earn money and level up. [136] Bible Adventures This game looks just like Roblox, but with a few minor differences. [137]

The inventory of each user cannot be accessed by anyone else. If you want to find out what a piece of furniture is for, you are going to have to purchase it from your inventory. There is no sharing of items between users; they can only be found in your own private stash.

The more points that you earn, the more robux that will be credited to your account. Surveys are usually quick and easy, so no sweat! There are 3 different types of surveys: desktop or laptop online surveys for 10-20 minutes; mobile surveys at home or on the go from 30 seconds – 2 minutes; and video game market research for 15-20 minutes.

ROBLOX makes it easy for users to participate in local multiplayer games. For example, a user can connect three iPads together and play the game Invader ZIM on them. There are also games where players connect their computers through WiFi and play online games with one another, such as Minecraft. You can also use RoomBuddy to track where your room members are located, so you don't have to worry about them leaving your house unsupervised.

In 2011 the Roblox company sponsored an event at the Children's Museum of Pittsburgh to raise money for charity (Charity Water). This was called Roblox Builders Club: Project Builder which raised over \$3,000 for charity water.
