According to a report by SuperData Research, Roblox had an estimated 5.7 million monthly active users in 2018. The report states that their statistics were based on the call records of around 1 million Android users who are under 13 years old. In their report, the company estimated that 6% of their users were under 12 years old. The reported monthly active users also included those who played Roblox on a daily basis. Their estimate was 14% and they based this on the number of days that players spend playing Roblox on any day. In addition, the report also stated that 32% of their players were in North America and 29% were in Europe.

The Free Robux application is compatible with almost every device, and can be used to play games on the computer or on your smartphone. This means that users can play games offline when they are not connected to the internet. The 100Robux app is compatible with the devices which launch in 2017, such as iPhone 7, Samsung Galaxy S8 and Google Pixel.

This section will provide an overview for the company's future prospects. This list is by no means complete and is subject to change. Roblox is ranked as the 5th biggest gaming website in the world. It has over 144 million monthly unique visitors (MAU), making it number 1 in total and within North America, Australia and New Zealand. The games on ROBLOX are free to play, while microtransactions can be purchased using Robux, which are acquired by playing the games or through a transaction system called "Builders Club". Since 2016, Roblox has been making more and more money every year and is currently valued at over \$1 billion. Its headquarters are located in San Mateo, CA.
