I'm love it by Bella fox on 2018/05/17 05:44 This is so fun for me I play it every day and I love it thank you for making such a wonderful game just one question though. They say we need 2,000 coins to upgrade but we only get 10 coins and if we spin 20 times thats the max 200 coins so how can we get more than that? Even though they have a lot of things have no coin is there any way you can make everything cost less coins? But besides that I think this game is great and fun to play with friends. I love it and I recommend it to anyone who likes playing fun games.",

The game holds an aggregated score of 7.8 out of 10 based on 35 reviews by game critics at Metacritic, which indicates generally favorable reviews. In 2016, the development team released a free-to-play game called "Coins & Curses". This game is a hybrid of "Coin Master" and the "Coins & Assets Adventure" game from 2014. In this game, players collect cards through daily quests and upgrades or buy them directly through microtransactions. "Coins & Curses" has a score of 8.8 out of 10 based on 60 reviews by critics on Metacritic, indicating generally positive reviews.",

Puzzle, puzzle, and more puzzles by MrMister22 on 2017/09/21 12:07 This app is one of the best I've played. I really enjoy playing this app. It's a game you can play anywhere so if your bored or at home on a rainy day this is a good app to get you entertained or even if you're commuting on a bus or train. You should download the game because it's fun and really addicting at times. I've played this game for about two years and I have to say it's really grown on me.",

Fun but laggy by AaliyahHuggs on 2018/03/09 21:50 To start the most annoying thing in this game is how slow everything loads and how long you have to wait for everything to come! The game keeps freezing and lagging and i really dislike that. It's so frustrating when it lags and you can't do anything. It makes me delete the app. Also the amount of coins you get from spinning is way to low! It takes a lot of time just to get that much! Overall it's a fun game but it needs some fix ups. ☐☐♀☐☐☐♀☐☐",
