On February 19, 2018 it was announced that United Pixelworkers (UPI) would be developing a new version of Coin Master for iOS devices called Coin Master "Dig Deep". The game is free to download from Apple's App Store and has been released in Beta format as of February 2018. UPI will also be releasing a new version for Android which will be based on the original Coin Master game but this time with 3D artwork similar to that of the mobile version.",

Good game, needs some fixes. by Munya on 2019/04/06 16:12 It's a very fun game. I have been playing for years, and there are things that you shouldn't have to pay extra money for in the game, such as extra turns if they aren't already included. There are places that you can't craft an item that you don't have the coins to. If they made more places to go to as well as more items to craft, it would be a better game overall. The chat feature is also annoying sometimes. As soon as I open the app, it tells me there are people on the other end of the chat, and since I don't have any friends, I close out of it immediately. It really bugs me how players have different abilities than other players for some reason. I forgot the name of the third thing I wanted to say, but that's all for now. Thank you for reading!",

The first group of "card packs" was released through United Pixelworkers' Facebook page on August 1, 2016. These card packs were formerly available through a special offer for 33% off the base price. The first card pack was available to those who had already purchased a premium pack in "Coins & Curses 2" and could purchase two additional premium packs for their existing account. For new users it was a one time purchase that could be used across multiple accounts on both mobile and PC versions of Coin Master and Coins & Curses 2. The cards were originally released as an exclusive offer for United Pixelworkers' first anniversary.",

Phenomenal for five years and more by Kiki123456789 on 2017/09/22 02:35 I've had this game for 5 years and it hasn't let me down once. The only thing is I don't like how it got too big and how you have to do so many things to be able to open the cool stuff like getting more land, etc. It's really hard to get diamonds but when you do, it's okay. But you can definitely win them by watching videos and doing other things. I love this game so much.",
