This game features eight "coin tokens" which represent fruits, vegetables, and animals. Players collect these coins during the gameplay to earn points in the game. In addition to updated graphics, it also includes new enemies such as sheep, bees and a wolf who jumps around trying to knock coins out of the air. The game has received a tiered rating of 4.8 out of 5 stars (out of 7 votes), with a user review stating that "Coin Master is a great game, well worth the full price" while describing it as "The original coin master (with a few twists".",
