"This is one of my favorite games because of the different levels and how easily it takes all my free time. It would be cool if there were different games you could play with friends online and offline. Also, I would be better off if you could actually get coins without spending your real money on them through in-app purchases or by downloading another game that requires real money.",

Fun puzzle game by Momochic on 2014/01/03 21:49 I love this app!! It doesn't have the same old boring puzzles that you play over and over while you're bored at your desk at work or at home. This way you can truly test your reflexes and it's more fun than just doing the same workout video all the time. There's only a few levels of difficulty which makes it even better, because not everyone is able to solve all of the puzzles! ☐",

"Coin Master" won an Honorable Mention from the 2015 Indie Royale Awards for "Best Card-Based Game". As "Coins & Curses" received mostly positive reviews, Mike Miller announced in September 2016 that a sequel to Coin Master was being developed, titled "Coins & Curses 2". It was released on iOS and Android on December 8, 2016 with some of the original developers from Coin Master returning to work on the game.",

Good game by Kiyaa on 2018/11/14 17:12 This game is fun and addictive and perfect for passing time but there are some glitches with the game. First off, when an item goes out of stock, you can spend hours or days trying to get back into the item. Secondly, the cheating needs to be fixed. You can see when someone has low health and attack them. They have the option to block you, but they can still win. There is nothing you can do about it. Third, the spells and potions aren't really useful. The spell usually only goes through to your opponent one time so that's pointless. The potions are also very expensive and don't really do much of anything for you. Lastly, I would like it if there were some way to get more coins because when there are special items that cost 1000 or more coins I have to spend an entire day saving up for them. It really gets old once you get more coins than everyone else.",
