You are able to unlock new levels by reaching certain levels of XP (experience points), with these levels being effectively allowing you to bank more fish (which cost 1 coin each), and spinning more wheels at one time. There are also achievements which can be unlocked. The achievements can range from getting a certain number of fish to completing a mini game with a certain amount of coins in the time limit. The achievement badges you earn contribute to your level, which is displayed next to your name and player ID on the stats page, and contributes 20 XP per badge. You also receive some XP each time you bank fish or spin a wheel. You are awarded coins based on how many XP you have gained throughout playing the game which can vary from 2-10 gold coins per 100XP depending on how much XP you gained that day.",

Great game by MommaDee1234 on 2017/11/14 15:02 This game is free with ads but they aren't bad at all they're actually pretty awesome . It's a free game that I think would be worth the money. It's really fun and makes you stay on it. It's got a lot of levels to unlock that make the game even more interesting and fun. It has very great graphics compared to other games but you don't have to pay for them which is what makes it even better!",
