Good game but... by 1-2-3! on 2021/12/22 00:18 I really like this game. It allows you to come back to it later with a new board of squares that have a set pattern. In this case, all the white squares are filled in and you have to find all the words that fit in the pattern. It's really fun, although sometimes confusing as you try and decipher what is or is not a word. The only complaint I would have is there are SO many ads. They are annoying and it takes away from the flow of the game. They are also very small.",

"This is one of my favorite games because of the different levels and how easily it takes all my free time. It would be cool if there were different games you could play with friends online and offline. Also, I would be better off if you could actually get coins without spending your real money on them through in-app purchases or by downloading another game that requires real money. It would also be cool to have a way to actually get coins and lives without having to pay for them." "I love this game because anyone can play it, anytime, anywhere. But I just don't quite understand how they are trying to make money. You have these extra lives you win from watching videos or playing other games, but they are not enough unless you spend your actual lives on them through in-app purchases or by downloading another game that requires real money. I would give this game five stars except for the fact that I feel like there's a lot of potential wasted on how they are trying to make money. Hopefully the developers will change their ways. I would love to give this game five stars because the graphics are good, and it is entertaining.",

Awesome game by Nonstopgamer on 2021/04/12 20:34 I really like this game. It is challenging every time and can be played in your spare time while doing other things like studying or reading. There are multiple benefits to playing the game such as earning coins for each level, getting hints if you use them properly, and unlocking the next level of puzzles which I find very helpful. You won't spend any money on it so you can just keep playing without having to worry about any annoying ads.",

Good game but needs improvement by Blazinjoe on 2021/11/01 00:52 The idea for this game is great! It's really fun and all but there's a few things that need to be fixed. First off, you guys should make it so that when someone asks for a gift, the person who asked the question can see who is sending them gifts. I know this sounds kinda petty but I've been on here a while and have had this issue more than once and it's just plain annoying to have people leave you hanging by not giving you what you asked for when they accept the request. There's also something in game chat that needs to be fixed. In game chat lags way too much and it's really annoying. And lastly, please make it so people can say "thank you" to each other when they receive gifts or spins etc... I personally love this app and I would rate it 5 stars but these things should be fixed.",
