"I love this game because anyone can play it, anytime, anywhere. But I just don't quite understand how they are trying to make money. You have these extra lives you win from watching videos or playing other games, but they are not enough unless you spend your actual lives on them through in-app purchases or by downloading another game that requires real money. I would give this game five stars except for the fact that I feel like there's a lot of potential wasted on how they are trying to make money. Hopefully the developers will change their ways. I would love to give this game five stars because the graphics are good, and it is entertaining."

Phenomenal for five years and more by Kiki123456789 on 2017/09/22 02:35 I've had this game for 5 years and it hasn't let me down once. The only thing is I don't like how it got too big and how you have to do so many things to be able to open the cool stuff like getting more land, etc. It's really hard to get diamonds but when you do, it's okay. But you can definitely win them by watching videos and doing other things. I love this game so much.",
