It was reported that "Coin Master" had reached #1 in United Kingdom's paid apps chart by August 2015.",

Great idea but... by Crhbxxra on 2015/06/20 20:56 I like this game but when you are done with your board there is no reason to go back to it and play again. This makes it really difficult to get more coins. The game should have a reward system that comes in every few days or something. I feel like I am just wasting time playing the same puzzles over and over without reward.",

The graphics in Coin master are relatively basic, but they are bright and colorful. The game is based on the concept of a treasure chest, which is where you keep your coins. The coin master himself is a bearded pirate who is dressed in traditional pirate attire, and his second in command (who helps you collect gems) is an orange fish wearing a top hat and a monocle. Another big feature of the game is that you have your very own pet fish which follows you around while helping to collect coins for you - these pets can be unlocked by reaching certain levels or using gems to take care of them. Their names are Chippy, Daffy, and Popeye - the latter two can be different depending on which pet you have unlocked.",
