"Coin Master" has been a major revenue source for Moon Active, having acquired over 1 million paid downloads in its initial release on Android devices as of December 2015. The game reaches #34 on the top list of grossing apps within the Google Play market. In April 2016 Coin Master was removed from the Google Play store for unknown reasons although in October 2016 Moon Active announced that "Coin Master" would no longer continue to receive updates following version 1.0. The game page on the Google Play store has remained active however.",

The special edition "Humble Coin War" was released through United Pixelworkers' official Facebook page on September 1, 2016 featuring seven exclusive cards from "Coins & Curses 2". The package included four premium packs of cards for use on mobile devices (full version of the game) and two extra packs which were only available through this special offer.",

Players earn coins from every completed quest type and can exchange their coins for real monetary value at the "Coin Master" website. There are also certain booster packs that can be purchased for real money which contain random rare cards that can be used in quest matches.",

Addictive by Rachie6666 on 2014/08/27 17:35 I love this game! It's so cool that you can have so many games going at once. You get bonus coins for each one. It's super easy and all I do is swipe my screen and I'm done. It's pretty fun and I love it!",

I downloaded the Coin Master Hack and it saved me time. Coin Master Hack helped me get coins, cards and gems to my collection within the app. No longer do I spend hours digging for gems, but now I just tap them in a timely manner.",
