Coin master game is another fun and entertaining online game that will allow you to play in your spare time. This online game is very similar to 2048, but with a unique twist to it. It's a coin-flipping game, where the next turn can be the start of another new chain! If you love crossing your fingers and hoping for good luck, then this is the perfect online game for you. In Coin master game, we are able to get three chances every round which will make this an exciting yet challenging experience for players of all levels!",

The best game ever by katiecat23 on 2017/09/28 23:17 Best game I have ever played! It's so fun and addicting. I love this game. I'd definitely recommend it to anyone who likes games like this. It's so fun and challenging. I can't even stop playing it! The only thing that I don't like is the fact that you can't keep all the upgrades you buy, and have to keep buying them again for each different level. It would be better if you could keep the upgrades forever. Otherwise, this game is truly AMAZING!",

A spin off title for iOS devices called "Coin Master: Dig Deep" has been released by UPI (United Pixelworkers). On January 10, 2018 GamesBeat published an article that mentioned a new release titled "Coin Master: Poke Map" was being developed by United Pixelworkers for the iPhone. The game is available for iOS devices in beta form as of February 2018 and is free to download from the App Store. This title is an alternate version of "Coin Master" where players can view the world around them (using real location coordinates) and find loot based on their current location within the game. It also includes a newspaper titled "Coins & Curses Adventure" which is about "Coins & Curses Adventures". An article on the website says that the game was created to satisfy the desire of players for a Pokeman Go style experience with "Coin Master: Dig Deep".",

Fun puzzle game by Momochic on 2014/01/03 21:49 I love this app!! It doesn't have the same old boring puzzles that you play over and over while you're bored at your desk at work or at home. This way you can truly test your reflexes and it's more fun than just doing the same workout video all the time. There's only a few levels of difficulty which makes it even better, because not everyone is able to solve all of the puzzles!□",

Coin master currently has a 4.5 star rating on Google play with over 8,000 reviews, and a 3.5 star rating on the iOS app store with almost 2,000 ratings. This is probably due to the fact that while this game is not the most addictive or fun around, it definitely is a good game to pass time with if you have nothing else to do. The graphics are nice and colorful and the concept of going from island to island collecting treasure along with your pet fish is unique compared to other games out there. I also enjoyed how there were achievements and collectables you could purchase at certain levels which allowed you to work toward achieving something special in the game as well as progress through it more easily. Besides that, I feel like this game is definitely worth a download and worth 5 dollars to unlock all of the cool stuff, but as it is right now I wouldn't recommend it.

Good Summary Coin master is fun to play, but not nearly as addictive as other games out there. Worth it if you love price charts and achievements, otherwise try other games first.",
