Fun by lizzykitty77 on 2018/06/14 03:59 This game is fun and addictive you can win prizes and get free coins but there are to many adds. It takes a long time just to level up and get coins. But otherwise it's a great game!",

Versions of the game have been released for iOS devices, Android devices, and desktops running Mac OS X. The main idea for Coin Master was first conceived in 2001 by Mike Miller, who had previously made games that pitted wizards against each other using fantasy-themed cards similar to ones used in "Magic: The Gathering". Miller was unable to find a developer to make what he saw as a "simple version" of the game, however, and so the idea went on to sit on the shelf due to lack of interest in the market at the time.",

In January 2018 Moon Active released another video on Youtube revealing that a version of Coin Master is also under development for the game platform Steam (by Valve Corporation). This version of the game is expected to include new 3D artwork, improved gameplay over previous versions and an updated soundtrack. In March 2018 Moon Active revealed that a new version of Coin Master was on the way to Facebook, however no other details were released.",

Video Guide If you have any questions about this tool or the hack, you can ask us in the comment section below! Hope you enjoy the mod, and see you next time! Published by KaranPC on 9:58 AM",

Coin Master has received a rating of 3 out of 5 stars from 1 user review on Google Play. Coin Master: Space Invaders has received a rating of 4.5 out of 5 stars (out of 1 vote) from 1 user review on Google Play. Coin Master: Puss in Boots "(Kasegi 2: Bukimi no Tane)" is the second game in Moon Active's "Coin Master" series and contains new characters, enemies and locations such as the Seville Cathedral from "Puss in Boots". It was released July 30, 2016 as part of a fan translation by Mysty.",
