I'm love it by Bella fox on 2018/05/17 05:44 This is so fun for me I play it every day and I love it thank you for making such a wonderful game just one question though. They say we need 2,000 coins to upgrade but we only get 10 coins and if we spin 20 times thats the max 200 coins so how can we get more than that? Even though they have a lot of things have no coin is there any way you can make everything cost less coins? But besides that I think this game is great and fun to play with friends. I love it and I recommend it to anyone who likes playing fun games.",
