I am writing about Roblox today because I am fairly new to the game and am trying to get used to it. I have had Roblox for about 6 months now, and I am sort of over it. However, I really love the game. It is a creative game where you can design an avatar and have a house to decorate. I just wanted to write this because I know there are a lot of people who have been searching for my story on Roblox. Everyone has their own opinions on the game, but as soon as I found out that my parents were coming to visit me on Friday, I found out that they were going to be seeing where I spend most of my time playing games online: namely <https://www.roblox.com/>. I was very and extremely shocked that I hadn't clicked on the site before this - it means I really could have been playing the game for a lot longer. A lot of my friends have played this game and now I'm starting to understand why they say it's such an addicting game! I am writing about Roblox today because I am fairly new to the game and am trying to get used to it.

The developers of free games can offer premium features in their game. However, due to the fact that all premium features are only available in Builder's Club, in most cases they will if there is no way for the developer to obverse this from a third-party mod or script perspective, then it can only be done via a Builders Club Premium [55][56].

The canonical website for Roblox is [roblox.com](https://www.roblox.com/), but many unofficial websites have been created due to the Roblox website's outdated and limited features. Some of these sites include [ROBLOXHQ.com](https://www.robloxhq.com/), [ROBLOXFanSite.com](https://www.robloxfan.com/), [ROBLOXFanZone.com](https://www.robloxfanzone.com/), [ROBLOXAlbum.com](https://www.robloxalbum.com/), and [ROBLOXFanGallery](https://www.robloxfan.com/). These websites have been shut down on multiple occasions due to copyright issues or because they did not comply with the Roblox Terms of Service (ToS).[63] As of March 11, 2014, only the official website will be used for legal purposes by Roblox.

ROBLOX released a new website design on September 1, 2018 (9:00 AM). This update changed many things to help revamp the community and also for users. It includes a revamped chat, which is shown on the right. This update added many new features such as "Continuous Games" and "Better Chat". It also added badges for various events.

You can even do surveys with your friends! Sign up for a shared account and you can all redeem the points that you've earned. If you have any questions about how to sign up, check out the FAQ section of the website.
