Users can report a game if they feel like it does not follow the rules. Either the game will be deleted or the owner will be warned, but most of the time the game is deleted. On January 5, 2017, a legacy avatar called Trollface became unusable because of DMCA claims from its artist. As such, ROBLOX disabled all avatars that use his artwork. It was later re-enabled after copyright claims were retracted.[39]

Rated 4 out of 5 by Anonymous from AWESOME!! I love ROBLOX SO MUCH!! It has all these cool games and places where you can buy stuff. It is a really fun game where you can make friends. Rated 4 out of 5 by Anonymous from Love it I've been playing this since 2006, still playing it today, I would recommend this to people 8-14. Some add ons are pricey but the game overall is great.

Some people also complain about the game being too confusing and requiring so much effort just to make 1 point or get Robux, even though it only takes about 3-6 hours of playing. They say that "Robloxian life" is actually a scam and they struggled to get it.

Rated 5 out of 5 by Anonymous from So fun! I love playing Roblox. It's very fun to play with friends and it's so much better than any other multiplayer game that I've ever played. If you are looking for a good multiplayer gaming experience this is the one to get.

This is definitely one of the best ways that anyone out there can use in order to get free robux on roblox. This is because it does not require any complex process or setup, as everything will be provided for you on a plate when you decide to start using this tool. This should be more than enough for anyone to use!
