This is a good game by miamaraci21 on 2018/03/29 04:20 I love this game. It's a great way to pass time and relax while you're at it. A very good app. I also love the fact that it has no ads, it's really really helpful if you have a lot of other apps open that have ads. It's great for all ages, even my young brother loves this game and actually tells me he wants to play every time I turn on my phone.",

The game was launched on the Google play store in August 2012. However, in 2018, Moon Active released version 1.1 for iOS devices which contained support for 3D touch devices and some other bug fixes. They also announced another new game called Coin Master "Dig Deep" which is similar to the original Coin Master but has added features such as a virtual currency system and features much more content than the original game.",

You are able to unlock new levels by reaching certain levels of XP (experience points), with these levels being effectively allowing you to bank more fish (which cost 1 coin each), and spinning more wheels at one time. There are also achievements which can be unlocked. The achievements can range from getting a certain number of fish to completing a mini game with a certain amount of coins in the time limit. The achievement badges you earn contribute to your level, which is displayed next to your name and player ID on the stats page, and contributes 20 XP per badge. You also receive some XP each time you bank fish or spin a wheel. You are awarded coins based on how many XP you have gained throughout playing the game which can vary from 2-10 gold coins per 100XP depending on how much XP you gained that day.",
