On October 10, 2010, Roblox replaced their old homepage with a new one. It was also released as part of an update and it was later applied on January 26, 2012. The old design was later removed from the website. A redesign of the website would be released on February 23, 2014. With this new redesign, Roblox added a news feed to the site and went back to the old design before October 2010.

If you like playing Roblox, then you will really like these promo codes because they will enable you to play the game in a whole new way. You can use all of the robux that can be obtained directly from ROBLOX and this will make all of your dreams come true by allowing you to play all of the different games that are available here so that they can fill your time with lots of fun and entertainment.

The developers of Roblox use the "Terms of Service" and "Privacy Policy" to monitor accounts for violations to these rules, also using the "Report Abuse" feature where other players can report any rule breaking or inappropriate content to moderators.

On January 24, 2010, ROBLOX released a new version 3 logo to replace the one that they had been using since 2008. The new version of the logo still has no color in it; however, it now uses vector graphics, as opposed to bitmap graphics on previous logos. This new logo also included a small R inside a circle which represents ROBLOX's focus on imagination and creativity.

On January 31, 2018 ROBLOX introduced Community Plots. These plots were originally planned to be released on June 30, 2016, but were delayed. However, they came out on January 31 as "Floating Skyboxes". These plots are a way for ROBLOX users to make money from their creativity and imagination. You still use Robux for them. On July, 2018 ROBLOX introduced the Free-to-Play Game Pass that allows new players to play online games without having to pay ROBUX.
