Good by Brenna on 2021/01/12 01:28 This game is pretty fun if you are bored at school or just don't have anything to do your self. It is super easy and addicting, but you should really use the coins because the first time I bought it was only like 20 coins. It was fine until I had to get another one. I thought it was 50 coins, but it ended up being 100 coins. It is a little frustrating but if you have nothing else to do, then this is a great game and you should get it.",

Best game ever!!! by Vampiregirl202167 on 2021/03/08 07:48 This game is amazing and super fun! It's very addicting when you're bored. The only problem is that when you're playing the coin challenge you can't move to the next level until you complete a certain amount of puzzles, which means that when you complete it, you can't play it anymore. Other than that it's a great game :)",
