You can also make your own games if you want Rated 4 out of 5 by Anonymous from Great! It has many things to do and it is definitely worth trying out! Rated 1 out of 5 by Anonymous from Horrible The game is worthless because of all the scamming on the app and its updates. Rated 5 out of 5 by Anonymous from I love it This is a great game that would keep you occupied.

On February 29th 2018 there was a large DDOS attack on roblox which left most of the games not loading and many users getting kicked from games due to it. On March 1st 2018 the company announced that a hacker had gained access into their database and multiple users personal information was leaked mainly password, username and email addresses.

Roblox allows its playerbase to make money through in-game ads. All the buttons can be clicked for additional clicks. The game also uses an in-game currency called ROBUX (Robotix) and replaces it with R\$ (Robux). There are many ways to earn these ROBUX, but the most efficient way is through the sale of items on the game marketplace or through microtransactions. However, your account will be flagged if you decide to do so.

One of the reasons why free robux users are falling victim of hacking and account deletion is because they let their friends know that they have free robux promo codes. They share these codes and often forget the fact that they should never ever share any information that could possibly help someone hack or delete your Roblox account. If you feel like you would like to tell a friend about this, but just do it privately, just make sure to use some sort of security when checking the inbox for messages. You should also make sure that you do not use the same username or password on any other website or accounts.
