Her parents did not approve of this decision and they started a petition on Change.org to get their daughter unbanned back on Roblox. They stated that her ban would be a violation of their privacy rights as well as an infringement upon her civil rights, as a minor. The family requested that Roblox reverse its ban of Arielle and instead give her a warning to stop future harassment, which she committed while playing "Minecraft". The petition received more than 50,000 signatures in less than 12 hours. However, it was then reported by users that the petition had been removed from the website soon after it began. As soon as the petition was received by Roblox, it was announced that her account would be reviewed and further action would be taken in response to how she had "been conducting herself online".

Liza is a writer who has been writing since she was young. She enjoys reading, writing and most of all, binge-watching shows on Netflix. Her obsession with Doctor Who started at age 13 and has not stopped since then. When she's not enjoying shows like Doctor Who, Supernatural, The 100 or The Walking Dead, you will probably find her watching Flash or Arrow. When she is not writing, her days are filled with social media marketing and attending various events.

ROBLOX runs a no-sell policy that allows for players to earn "robux" or Robux. These tokens can be used to both purchase games, games from other users, and in-game items. It also serves as a way to gain currency for in-game purchases such as buying more slots, which helps players advance faster in the game.

The third way is using your Xbox live account to earn free Robux on a game called "Robloxian Life". This game awards players with 20 points per day which translate into around 100 Robux.

On April 6, 2015, the company launched a virtual reality project called "ROBLOX VR". It allows users to play in the same virtual world and see each other's avatars. On March 22, 2017 ROBLOX released a new version of its app called Ava (ROBLOX's Mobile Application). See above section for more details.
