Roblox has been criticized by some users for their use of Facebook data. In April 2018, a report by CNBC claimed that they were able to track user's Roblox activities on Facebook using this data. This included the number of times that they left comments and how much time they spent in a game.

Roblox is also known for giving away free robux, tix or any other currency for a limited time. They will give these out on a special day and if you do not want to miss out on them because people are using them, then you should have just been using the free robux promo codes for ROBLOX already. These holds of the code can even be used as gifts among friends. There are very limited codes that they will give out though. If you want to be in line for one of these codes and still want to have fun, then you should always make sure that you do not use them too fast. This way, they will not release anymore codes and people will obviously lose out on having fun.

ROBLOX first came out in September 2006 when released the first version of their game Roblox Studio (similar to Scratch). This was the original creator of ROBLOX and was developed by Jason "Akile" Akilecz (JAMASOF) from October 19 to November 5. This is the first fully 3D program for ROBLOX. The original name was "Roblox", but it was changed due to a copyright lawsuit. The name was changed to "FunRoblox", and in 2008 the "Fun" part was dropped to make it simply Roblox.
