This redesign adds a many features and improvements such as new search function, expanded news section, easier access to games and groups/communities, expanded mobile version of the site, ability to message anyone on the website regardless of whether they are a user or staff/trade with users without the need to add them first (members must have this feature enabled), expanded trades panel with detailed card information, ability to cancel trades before they are completed when there are no funds involved on either side of the trade to prevent scams that involve giving out items for free and getting items or money in return but never giving back the items that were given.
