The fifth group of "card packs" was released on November 11, 2016. These card packs were formerly available through a special offer for 33% off the base price. The cards were originally released as an exclusive offer for United Pixelworkers' third anniversary.",

Another version of Coin Master was also created by Mojang in 2015, which is available to players free of charge via Minecraft Realms. This version primarily includes the same gameplay aspects seen in the original (but with some graphical upgrades, and 3D style). The game uses texture packs to resemble the look of the original versions.",

In January 2017 Moon Active announced that they had signed an agreement with Netflix to develop a free to play mobile version of Coin Master for Android and iOS devices. The game was later released in beta form as of February 2018. It is titled "Coin Master: Poke Map" and is similar to other games developed by Moon Active such as Poke Monsters World Tour. This version of the game allows players to view the world around them (using real location coordinates) and find loot based on their current location within the game. Collectible items such as equipment, potions and rare drops can also be found.",

In May 2018 Moon Active announced that they had signed an agreement with Disney to expand upon Coin Master through multiple video game projects including a new mobile title, which was announced to be released as "Coin Master 2: Disney's Wreck It Ralph". The agreement gives Moon Active access to Marvel and Disney movies, characters, and intellectual property. The developer of Coin Master cited the success they had developing "Coin Master 3: Wreck It Ralph" in getting this new partnership with Disney.",

Great app, but... by Anubis\_In\_Da\_Club on 2013/11/27 15:02 I love this game, but I hated the fact that you had to wait a while until you could start another game. It was very frustrating. Overall, it is amazing! It's my favorite game because it's not like every other puzzle word app there is out there.",
