Best Game Ever by Ali Bery on 2021/11/30 17:16 This game is so fun and addictive! It's great because you can play with your friends, chat with other players, and customize your character with tons of cute outfits! The most amazing thing about this game is how many different achievements there are to unlock. You can even play a bunch of different mini games to win prizes! But after an hour or two that can start to get boring. So, I would say this game is great for short bursts or if you are bored or when you're on your phone at home.",

Good by Brenna on 2021/01/12 01:28 This game is pretty fun if you are bored at school or just don't have anything to do your self. It is super easy and addicting, but you should really use the coins because the first time I bought it was only like 20 coins. It was fine until I had to get another one. I thought it was 50 coins, but it ended up being 100 coins. It is a little frustrating but if you have nothing else to do, then this is a great game and you should get it.",

This game features eight "coin tokens" which represent fruits, vegetables, and animals. Players collect these coins during the gameplay to earn points in the game. Three of the coins are represented by card illustrations; these coins are more likely to be found in chest rather than buried in the ground as with coins with illustrations of humans and animals. There are currently five sets available; one set is for each type of coin (four sets for negative coins and three sets for positive coins) giving a total of twenty-eight characters.",

Great game - one issue by nathaniel lewis on 2021/09/19 02:08 This is a great game, the puzzles are challenging, and the controls are very clean. My only problem is that when playing through the puzzles you occasionally need to hit a certain combination of tiles to continue. The problem is that those combos vary from level to level depending on your progress, so I end up having to restart my phone if i want to get back into the puzzle where I left off. A little frustrating, but still a great game.",

Good game but needs improvement by Blazinjoe on 2021/11/01 00:52 The idea for this game is great! It's really fun and all but there's a few things that need to be fixed. First off, you guys should make it so that when someone asks for a gift, the person who asked the question can see who is sending them gifts. I know this sounds kinda petty but I've been on here a while and have had this issue more than once and it's just plain annoying to have people leave you hanging by not giving you what you asked for when they accept the request. There's also something in game chat that needs to be fixed. In game chat lags way too much and it's really annoying. And lastly, please make it so people can say "thank you" to each other when they receive gifts or spins etc... I personally love this app and I would rate it 5 stars but these things should be fixed.",
