Players complete a challenge and win prizes such as weapons, armor, unique items, etc - These servers are focused on playing mini games in order to win rewards. Creative Games Servers: Players can build anything they want with real-world objects inside the game.",

When it comes to purchasing a Minecraft server, you should consider realistically whether or not you are going to be playing with friends or creating a private server for yourself. Most gamers are able to find a public server that is dedicated and offers high-level content that they will enjoy. However, there is plenty of room in the market for private servers for those who do not mind maintaining and taking care of their own servers. It is highly recommended that you go with one of the larger hosting companies in order to get reliable hosting, support and rental options when it comes to your own Minecraft Server. Luckily, the web is a great resource for finding the perfect provider and server for your needs.",

Combat is designed to be straightforward, with players able to only carry one item (of any weight) at a time. Weapons can be crafted with either wood or stone and basic combat techniques involve aiming at the head to inflict maximum damage, taking use of terrain and the ability of having a ranged weapon for players comfortable with using more than one weapon.",
