You must not use the Free Robux promo codes for ROBLOX unless you are sure that you are playing on a legit copy of the site. These codes will not work if you are playing on an illegal copy of the site. You must also not try to get a large amount of free robux by using the Free Robux promo codes for ROBLOX because this may get your account scammed and deleted by the company. If there is one thing that you must do though, it is to never give out any username or password that was used to make an account in any website to anyone else while using free robux promo code generators or codes.

Premium game mechanics can also be implemented in free games. However, due to the fact that all premium features are only available in Builder's Club, in most cases they will if there is no way for the developer to observe this from a third-party mod or script perspective, then it can only be done via a Builders Club Premium.[54]

Since many online games have their own economies, it is possible to make a significant amount of money through playing those games (as well as copying others). As the economy is largely driven by player interaction, both positive and negative elements, this has led many players to claim that there is an inherent conflict of interest between game developers and users; in other words, "who pays gets spoiled?".

Another disadvantage is that whenever a user updates their account, they are required to update the free robux script as well. Since it is hard for you to keep track of your own updates, you will need someone else to help you do this especially if you are constantly updating your posts several times a day.

On April 24, 2013 ROBLOX announced that Builders Club would now cost 5 USD per month. As of 2017, Builders Club is no longer offered.

On October 10, 2013 it was announced that you could now make game passes and sell them in the catalog for ROBUX or BC (Builders Concession). This includes some advantages over Free Mode such as being able to add a game trailer video, change the description of the game and enable the Flashlight on other players' devices. New users will begin with 100 ROBUX which is \$1 USD when they sign up for a new account. However, any user may donate any amount of ROBUX to get more in return.
