ROBLOX has official clients for Windows, macOS, Linux, iOS, Android, Xbox One, and PlayStation 4. ROBLOX also has a game engine called "Build" which can be downloaded for free to those wishing to develop games for their website. Although not officially supported by ROBLOX themselves, the client source code is also available on GitHub. As such, there are unofficial ports of ROBLOX to other platforms not supported officially by ROBLOX such as Xbox 360, Raspberry Pi and Tizen. An early attempt at an iPhone port in 2010 was unsuccessful due to concerns over the stability of the platform and a lack of toolchain support.

On February 23, 2012, ROBLOX revealed that they had hired 241 developers to work for the company. On March 28, 2013, ROBLOX revealed that they had hired an additional 130 developers to work for the company. On September 3, 2014, ROBLOX announced that they had hired over 800 employees in total. ROBLOX held a previously-unannounced hiring day on June 23, 2012 where they hired over 50 employees. At the end of 2012, ROBLOX announced that the company was "growing faster than ever". In November 2011, the website oDesk.com had more than 100 "top experts" from ROBLOX who were ready to provide assistance and tips to anyone who needed them. The site has since been shut down due to their repetitive scamming of people on oDesk.com using ROBLOX as a platform for money making. On March 28, 2013, ROBLOX announced that they had created a new partnership with GameSys on top of their cooperation with Hintons Online Group Inc.

Also, it will never be patched as it is a standalone executable file, so you just have to download it and that's it! No need to worry about anything, no activation or installation required. Just download and use! You can also check out this article by Teletalex on how to get free robux for roblox.

This method is similar to the last one but there are a lot of difference between this method and the last one too! The difference between this method and the last one is that this it will require a lot of time to complete and there are also some missions involved in this as well. In order to get free robux by doing the missions, you will have to complete the missions that are listed under tasks of your user account. You have to complete a lot of these tasks in order for them to complete and for this reason, it will take a very long time to complete. However, once you do all of the tasks that are assigned, you will get a lot of free robux and you can use them in order to buy some cool items or invest in weapons for your character.

There are also individuals who try to steal the identity of other users by scamming them through fake free robux videos. These individuals may use other sources in order to get hold of the scripts of these software and modify it in such a way that they get a slice of the profit once it is used by other people.
