Rated 4 out of 5 by Anonymous from Awesome game I would rate this game a 10 because it's really entertaining and easy to get into. Rated 4 out of 5 by Anonymous from Good Game This is a pretty good game the only thing that doesn't get me is all the money you have to pay for it. Rated 5 out of 5 by Anonymous from Great This is an amazing app, and roblox is a sweet game, but i have had some problems with it so that's why i am giving four stars for rating.

Rated 5 out of 5 by Anonymous from Super fun, but gets expensive Really fun game, and very realistic in-game items. However after a while, it can get pretty expensive. It is currently \$8.99 USD to purchase an additional character slot. Definitely worth it at first, but you will eventually outgrow the game if you don't have the money.

Rated 4 out of 5 by Anonymous from Fun and Great For Fun! I've been playing Roblox for almost 11 years now. It's a great game for kids, teens, and adults. If you didn't get this game then you're missing out! It's so much fun to build things with your friends and play thousands of games.

Roblox has so many different types of games available that it can be very hard for you find all of the codes on your own. The best thing is that it is all free. If you want to get unlimited free robux inside your account, then start by using any of these codes when they are available. If you just want to use some types of currency as gifts for your friends, then you can do that too. It will not cost a dime to use this site since it is completely free.

You will be able to play all of the games and have fun with your friends in the virtual world of ROBLOX. If you consider yourself a hardcore gamer, then you should be using the Free Robux promo codes for ROBLOX as soon as possible.

In July 2012, ROBLOX released a list of their top 100 games with the most concurrent players at any one time. The list features a variety of games such as "Rage Place", "Create the Universe 2", and "Survival Games: Mine". The game with the highest number of concurrent players at the time was "Mineblox", which had over 10,000 players on it at once.
