On July 30th, 2017 version 1.0.29 was released for iOS and Android devices including gameplay updates and bug fixes. The game has been featured in multiple media publications, including: A number of real-world cards are used as the game's currency. Those cards include: In addition to the above, Mike Miller has also mentioned that there may be a coin card due to popular demand. The developers have stated that they would be open to "extend the universe" of "Coin Master" with another game in the future if interest and support were shown from fans of the original.",

The rules are simple: 1) Start or join an existing chain with two coins in it (a small number). 2) When you have a chance to flip, flip your coin to make it land heads or tails. 3) If you flip your coin and it lands on heads, your chain will add one more coin. If you flip your coin and it lands on tails, your chain will end with a space in between. 4) Keep flipping until the chain is empty or done!",
