In July 2012, ROBLOX released a list of their top 100 games with the most concurrent players at any one time. The list features a variety of games such as "Rage Place", "Create the Universe 2", and "Survival Games: Mine". The game with the highest number of concurrent players at the time was "Mineblox", which had over 10,000 players on it at once.

Rated 5 out of 5 by Anonymous from Awesome! I love this game. You can play games made by other players or play games on Roblox Studios yourself! Its so creative and fun! You can play them with your friends and or you can just play them by yourself.

It seems that there are many procedures to get free robux for kids. The most common would be to download an app like "Games of War" in order to "winning" robux. The particular article here is about how just because you can't download an app, doesn't mean you have to pay for them. It's easier than ever to be able to get free robux for your kids and this article will provide some helpful hints on how. You're welcome!

In ROBLOX, you can unlock the most exclusive gear by getting it directly in-game with a single purchase of ROBUX! But no one has ever figured out how to get it from outside the game! This is because all of the ROBUX you buy in game are for virtual currencies and have absolutely no real-world value. Whether you're a player or an admin, this is a secret worth keeping.

The Chat Room is an area where players can talk or text either with themselves or with other players. The chatroom is separated into different categories, depending on what players are doing. Normal chat rooms for most players will probably contain users asking different questions about the game as well as people chatting about their creations. Other chatrooms include a room where people can indicate whether they want someone to play their games or put them up for sale and a "Celebrity Chat" that allows known celebrities to visit and hang out in the chatroom.
