Robux (also known as Roblox) is the in-game currency of Minecraft:Roblox. It can be bought with real money, but in order to earn it, you have to do missions or purchase it with real money, which means that you are paying them for a fixed amount of time. Unfortunately for some players, they will be astounded by the fact that buying robux for roblox actually results in getting less than what you would get if you had done all these activities on your own. The amount of robux that you will get depends on how much stuff you buy and how many times you do a test.

In late 2015, ROBLOX introduced ChatPads. These ChatPads function like keyboards for players with a webcam. The players can use a webcam to talk with each other as well as guests while playing the game. However, there are no audio chat functions. One feature of the new chatpads is that if you lock your screen when playing game, it will automatically unlock when you tab out from games to bring up your keyboard and chatpad features.
