If you want more mods like the Steve mod, you can visit the website of this mod author and download any mods that have been created by him. The site has been around for a while, so it is safe to download any mods that he has created. I have never downloaded any of his mods before but I would really like to check them out because they seem really interesting to me. So far, the only Steve mod I have seen is an awesome character mod (which allows you to make your own Steve character in Minecraft).",

Minecraft is a sandbox game originally designed and created by Markus "Notch" Persson, and now developed by Mojang. It was publicly released for the PC on May 17, 2011, as a developmental alpha version and, after gradual updates, was published as a full release version on November 18, 2011. A version for Android was released a month earlier on October 7, and an iOS version was released on November 17, 2011. On May 9, 2012, the game was released on Xbox 360 as an Xbox Live Arcade game. The game allows players to build with a variety of different blocks in a 3D procedurally generated world. Other activities include exploration, resource gathering, crafting, and combat. The PC version of the game is published by Mojang. The Xbox 360 version is published by Microsoft Studios. The release of the mobile versions are handled by external publishers, such as Electronic Arts, Ubisoft, Warner Bros. Interactive Entertainment and Halfbrick Studios for iOS devices, and Mojang for Android. The game is currently available on all major platforms except Google Chrome OS.",
