In this article, we will give you a few tools that will help you to exploit the game even more. These tools are called Mods or Mods for short. You could also call them hacks, but there is a difference between mods and hacks. A hack is what you get when you use a tool like this to violate the game's rules. For example, using your Mod to create a portal in another world for teleportation from one world to another would be considered a hack by Mojang and the Minecraft community as it would go against the rules of how Minecraft should work. Mods, on the other hand, do not violate these rules and are allowed to be put inside Minecraft."
