In order to create a game on ROBLOX, one must first obtain a Builders Club membership (a free membership that is required). Upon purchasing this membership, players may then use the in-game tools provided by ROBLOX or the "Studio" to create games that are interactive like FPS, MMORPGs, and various other game types. The engine is not limited to 2D games like most flash games are; it can be utilized in the creation of 3D games too.

Roblox Suggestions (Steam Community) - This is a helpful site where you can submit suggestions to the Roblox administrators. If there's anything you'd like to see changed or updated, this is where you should post your suggestion. People are constantly submitting suggestions on this page and it can be easy to miss. You'll also receive notifications if anyone liked or commented on your suggestion, so it's easy to know if people were interested in what you posted.

19. The only real problem with roblox is that there is no way to make a person get out of the main menu like one can on minecraft. 20. I love Roblox! I am getting a new headset for my new laptop and I'm so excited! This is the only game that my parents are okay with me playing. They know how to work it and are able to keep an eye on my account. It's safe. 21. Funny

On September 30th, 2018, ROBLOX released a "make your own toy" simulator called "Work at a Pizza Place". It proved very controversial as many users perceived it to be a lazy game and was rushed out without being finished. There were also many players complaining about how they could make money by selling pizza hats and shirts. However, this was only intended for people who would want to work at ROBLOX pizza.

On December 14th 2018, ROBLOX announced that there would be no more updates to this system and any items uploaded would not be safe after February 10th 2019. They also announced that they will be releasing a replacement system to store game files. On February 9th 2019, ROBLOX announced that the upcoming upload system is going to be called "ROBLOX Studio".[97]
