On April 24, 2013 ROBLOX announced that Builders Club would now cost 5 USD per month. As of 2017, Builders Club is no longer offered.

On October 10, 2013 it was announced that you could now make game passes and sell them in the catalog for ROBUX or BC (Builders Concession). This includes some advantages over Free Mode such as being able to add a game trailer video, change the description of the game and enable the Flashlight on other players' devices. New users will begin with 100 ROBUX which is \$1 USD when they sign up for a new account. However, any user may donate any amount of ROBUX to get more in return.

I downloaded Robloxian Life from the App Store (it is free). After creating my character, I found myself in an unfamiliar location. There were trees everywhere! No sidewalks or buildings to view through my character's eyes. I began to look around for landmarks so I could find my house. Soon, I found it. An old abandoned house; the perfect place for me to live and work in the game! There were no other houses around, so I thought this one was mine! It wasn't long after my character had moved in that another player decided to move into my house. They didn't like my treehouse. They wanted to build a new house where there were trees and nobody could see inside. I thought it was a great idea! The next day, they created a new building and started working on an addition to the house themselves. Soon enough, our houses were completely different from each other; each one had its own unique features and decorations. After a couple days, I decided as the "host" of both houses that I wanted to make them look alike. I bought my friend's house and used the money to buy some items and paint to change his house into mine. The next day I was playing Robloxian Life, only to find out that my new house had been destroyed by one of my friends during the night. He asked me why I had changed his home. He said he liked his original house better than mine. Somehow, he managed to get at my items and destroy everything I had built in one night. I had no choice but to remove him from the game. I never really wanted to keep the house he destroyed, so I got it demolished and sold.

Some people also complain about the game being too confusing and requiring so much effort just to make 1 point or get Robux, even though it only takes about 3-6 hours of playing. They say that "Robloxian life" is actually a scam and they struggled to get it.

On January 19th, 2018, ROBLOX announced that they would be releasing a feature called "ROBLOX Studio Preview". This allows users who have purchased a "Full Studio" to test it before buying it. They will also be able to provide feedback.[85]

Rated 4 out of 5 by Anonymous from Pretty Fun This game is fun and very addicting but would probably be more fun if you had a personal computer or notebook. And sometimes there are annoying adds but overall its a great game if you want to have some fun with your friends online.
