In November 2017, ROBLOX released their third YouTube channel called "ROBLOX Explorers". This channel features a series of Epic Adventures which are adventures that will feature a group of friends going on all sorts of amazing adventures. These will include other famous gamers and YouTubers. In February 2018, ROBLOX released their fourth YouTube channel called "Roblox Top Model 5" which features season 5 of the same show as Roblox Top Model. Also that month they released a collaboration with the popular web comic Homestuck which is called Homestuck Adventure Game. On March 6, 2018, ROBLOX released their fifth YouTube channel called "Roblox Top Model 6". This one will feature the same show as Roblox Top Model and will be aired on a weekly basis.

Roblox is used for many educational purposes. For example, students can use it to practice basic coding skills such as the keyboard, the number keys, and how to move the characters on the screen. Teachers have also found it useful for teaching basic physics such as gravity and force. It's also used in STEM (Science, Technology, Engineering and Math) classes at elementary schools in which students have access to do robotics projects.

The CEO of Roblox is David Baszucki, also known as "Devdog". He made his first \$1 million by using a stock option from a company that he had worked at called Original Media. He was fired from the company for not coming up with any new products despite having achieved success in the existing ones. After this, he started to work on ROBLOX alongside his friend Owen Hill. Although Roblox was founded only in 2009, they had already made their first \$1 million by 2013.

Premium game mechanics can also be implemented in free games. However, due to the fact that all premium features are only available in Builder's Club, in most cases they will if there is no way for the developer to observe this from a third-party mod or script perspective, then it can only be done via a Builders Club Premium.[54]

There are also other options to get free robux. Some players have found ways to get free robux without having an account and without downloading ROBLOX Studio (which is the free version of ROBLOX) by using a different method or by using a fake card:
