People on ROBLOX are sometimes known to come up with their own language called "Robloxian", which is basically like a mix between English and gibberish. It is not really considered its own language because it's too simple and doesn't have any official dialects or countries.

On July 10th, 2018 the game was removed from the ROBLOX website and replaced by a non-game item called "Anthem". It is unknown why it was removed. On November 15th, 2018, ROBLOX released a new work-in-progress game on Steam named "Anthem". It was revealed that the company decided to release this new version of the game after listening to many negative comments about its original version.[89] On November 23rd 2018, it was announced that the game would be released for free for everyone due to its many issues.

There are lots of resources where you can find Roblox promo codes and there are also a lot of hacks to help you get free robux. You can find Roblox promo codes in different forums and cheat sites as well. If you do choose to try out the hacks, remember that those websites can be prone to attacks and they might expose your security details which could result in your account being deleted.

Some people also complain about the game being too confusing and requiring so much effort just to make 1 point or get Robux, even though it only takes about 3-6 hours of playing. They say that "Robloxian life" is actually a scam and they struggled to get it.

Roblox hack download is a hacking site that gives out Robux. You can just go to the website and insert a username or even an email address. Once you do that, you will receive emails from the website and finally download robux through these emails.
