ROBLOX does not allow players below the age of 13 than sign up for an account. This is because of the maturity level that ROBLOX expects all players to have. ROBLOX does not allow users to make profanity in the game and the server does not allow it, however there are many areas on the game and on their website that do, such as chat boxes in games. They have also recently added a filter button which blocks certain words from appearing in chat. This feature was created to block words that appear to be offensive and potentially harmful at times.[42]

On June 26, 2012 (4:00 PM), ROBLOX released a new website design. The new design was made with a goal to have access to the latest news, showcase new games, and improve features in the forums.

Rated 4 out of 5 by Anonymous from Great Game RoBlox is a pretty good game. You can build stuff and play games for free. It's really fun!  
Rated 4 out of 5 by Anonymous from This game was good Although it was kind of expensive, it still wasn't that bad. It let me be creative and let me be the hero.

Rated 5 out of 5 by Anonymous from My favorite game I love roblox. It is fun and it can help with school work. It's a bit pricey but worth it.  
Rated 5 out of 5 by Anonymous from love this game i love this game! it's really good for my age group, except the fact that you have to pay 30\$ or so to get wings which aren't even that good to begin with! they don't even fly that great, plus they only last for about 3 minutes anyway... other than that it's a great game!

There is also a Roblox version called Roblox. The most popular online game that users play on ROBLOX is called ROBLOX. World of Warcraft  
If users want to buy or sell items or craft something for their own use, they will have to move to a different website or app such as the website Craigslist or the app Facebook. Facebook Came out with its own version of ROBLOX where users can create their own play spaces and interact with other players in real life. This was done by connecting their app through WiFi so that every user can interact with one another in real life.  
PlaceVille Came out with its own version of ROBLOX where users can create their own play spaces and interact with other players in real life. This was done by connecting their app through WiFi so that every user can interact with one another in real life. [130]
