Minecraft Bedrock Edition is a new game on the market. It's like Java version of Minecraft, but everything is changed to be more like mobile or console. It has all of the original features of Minecraft and you can play with your friends, make new friends and chat in real-time right from your phone.",

When you first install your Minecraft server, you need to create a separate user account that has administrator rights. Unless you are planning on running an open-range PVP server, it is best to make sure all access to your Minecraft Server is denied at this point. It is also always a good idea to have a backup of your install in case anything happens. This can help if you need to re-install the server or just get back into the game quickly.",
