This program is designed to be a useful tool for experienced players (generally meaning those with some time spent playing Minecraft already) in creating worlds with unlimited resources and without any limits. It adds all the blocks in game also it adds invincibility in the world or in your character. If you want a nice world without enemies - just generate one. If you want to be invincible, get a heart of invincibility. It also adds all the blocks and items that are in Minecraft with descriptions of what they are, including the new blocks from the newly released versions for Pocket Edition."

Minecraft mods can be downloaded from the internet, but the most common mods are available on many websites that allow you to download. There are a few Minecraft players who download mods for free, but most of these people are looking to get a scam or something in order to cheat their way to owning Minecraft. It is wise not to download any mods that you come across on forums, because you could end up with a virus or other malware on your computer. The best way to find out whether or not a mod is safe would be to check the creator's website. I have put together a list of some of the most popular sites that host mods for Minecraft. Gameplay",
