Rated 5 out of 5 by Anonymous from It is very fun! I love this game and will forever. I have a lot of friends that play ROBLOX so we play ROBLOX together. But we also make our own games in ROBLOX STUDIO so me and my friends can play them together to see who wins! Other than that, you just have fun on ROBLOX and get to know people a little bit better. I really love it! I think you should try it out! You can make a game on ROBLOX STUDIO which is super fun.

Productivity Tools: ROBLOX has released many tools to players in the past. Some of them have been useful to players, while others prove to be more controversial. The most recent ones were their "Full Studios" which had many features and tools that allowed players to go into the game engine and change things remotely. However, many users claimed that this was a privacy issue due to the fact Roblox can track all changes, such as the movement of people through the game or make copies of other people's games.

You can even do surveys with your friends! Sign up for a shared account and you can all redeem the points that you've earned. If you have any questions about how to sign up, check out the FAQ section of the website.
