I am not a Minecraft addict, but I do enjoy playing that game. However, that is only because my friends and I play it together. Not because of the millions of dollars or diamonds you can get for free on Roblox. People are obsessed with Roblox; my Facebook account was filled with friends who played Minecraft as if they were addicted to crack. They would constantly post pictures about their new lifesize cardboard builds they worked on at home; taking ages-long breaks between each video to watch more videos of minecraft. We've all had friends who were that addicted to Roblox in our time, but I have never met one like Sinead who was "deeply miserable" because she was deprived of playing it. That was always the case whenever anyone mentioned it, I'm sure; parents would frequently ask me if and how I managed to get my grades, and teachers would always ask me if we had any homework. Sometimes they'd even assign us essays to write about our time on Roblox; even though a few months before everyone stopped doing them unless they were mandatory.

Roblox is governed by a global moderation team, consisting of volunteers and employees. Moderators monitor Roblox for inappropriate content like violence, nudity, profanity and copyright infringement. Moderators have the ability to mute, ban, or delete users from a game. Players can also report other players for inappropriate behaviour. In addition, moderators are expected to help players in need with moderation and issue resolution.

This is one of the most reliable ways for anyone to use in order to get free robux on roblox without having to spend any money. This should be more than enough for anyone out there to use if they need some methods for getting free robux on roblox right away.

Roblox was launched as a free download with the name of ROBLOX Studio on April 15, 2005. In addition to the free version, Roblox also has a paid version, which was inspired by Roblox Studio's success. A Robux shop has been available since December 2007 (since December 2011 this can no longer be accessed unless you have purchased premium membership), for US\$4.95 (US\$5) per month or \$49.

Another disadvantage is that whenever a user updates their account, they are required to update the free robux script as well. Since it is hard for you to keep track of your own updates, you will need someone else to help you do this especially if you are constantly updating your posts several times a day.
