In Roblox, players can create an avatar in whatever shape, form, or color they wish (as long as it's not offensive). But before they can do so, they must choose from a variety of different body parts, heads, legs, arms, etc. There are also many different hairstyles to choose from. There is a large variety of clothing options to choose from, each with its own effect.

Free Robux Codes are codes that can be used to get free Robux with the game Roblox. These codes are usually found by going through YouTube comments and deciphered from there. There is no guarantee the code will work, and if it does, you may not get the full amount of Robux you were hoping for. Each code posted on my channel is checked for legitimacy beforehand. In order to stay safe, you should know the difference between a cheats and a hack. The codes listed in the video above are not hacks. Hacks do not use codes, as they require an exploit in the game's coding.

Roblox was founded in 2004 by David Baszucki and Erik Cassel. They currently reside in San Mateo, California. Roblox was originally created in 2000 as DynaBlocks, and then it was called Blocks, Inc. The name was changed to Roblox when it launched in 2004.
