"Robloxian life" has actually changed how people view games now. People used to spend hours and hours in games without even noticing that time has passed because they were involved with the game's world. Suddenly, they realize their time is running out and that no one is helping them out for example.

Robux can be used to buy many cool things in the store such as hats, gear, shirts, and many more cool stuff. To earn Robux however is much harder as it takes time to earn them just like real money. You could earn them by selling items to other players or providing services.
