Roblox allows its players to promote their games on other websites such as Fiverr and UpWork. American citizens have to file an extension if their promoted games are relevant to them, but the rest of the world does not.

In a response, Roblox stated that the employee who did this was dismissed after a thorough investigation and that they are committed to making improvements to their workplace environment. Chris Misner also stated that she suffered retaliation from other Roblox employees for contacting the media and posting about her experiences with the company.

If you have been using the Free Robux promo codes for ROBLOX, then you will always be prepared to use them when they are ready. You just have to make sure that you do not share your identity with anyone else or else you will end up getting hacked and lose everything you already have. Just remember not to give your passwords out to other people even if it is someone who knows you or a family member. There are a lot of people who want to get unlimited robux in their account and they will do anything they can in order to get that done.

In 2009, coinciding with their tenth anniversary, the company announced that it would be opening a second office in Europe, with partners located in London and Manchester who would "proudly represent" their games on the continent.

Roblox has been compared to "Minecraft" due to its similar graphics, game building etc. One of the most notable comparisons is the "Roblox Topia" video which can be found on YouTube. This is an instructional video on how to make popular "Minecraft" related structures in ROBLOX.
